Mayor and Council

RE: 2025 Rescue Response Protocol Policy MOU

Mayor and Council,

Please find enclosed the **2025 Rescue Response Protocol Policy Memorandum of Understanding (MOU)** between the Municipality of Princeton Fire Department and Princeton First Aid & Rescue Squad.

An earlier agreement had been in place for many years, however, that agreement no longer accurately reflected the current roles, responsibilities, and operational capacities of the involved entities.

In response, representatives from all relevant parties convened to review and revise the agreement. Through a collaborative process, they drafted an updated document that more accurately delineates responsibilities and reflects current capabilities. The draft agreement was presented to the Public Safety Committee for review, and they recommended it move ahead for Council approval.

The agreement is on the agenda for the May 12th Council meeting for your formal approval and implementation. Please let me know if you have any questions or require additional background information.

Sincerely,

Bernard Hvozdovic

Administrator

Municipality of Princeton
