SHI International Corp. is 100% Minority Owned, Woman Owned Business. TAX ID# 22-3009648; DUNS# 61-1429481; CCR# 61-243957G; CAGE 1HTF0

Purchasing Microsoft Azure Services

Customer may purchase Microsoft Azure Services from SHI in one or a combination of the following ways: Azure Prepayment: Customer will have access to its entire Azure prepayment throughout the term of its Enrollment if Customer agrees to be invoiced for the full amount upfront (the "Fully Prepaid Option"). Alternatively, if Customer elects to be invoiced for its Azure prepayment on an annual basis, Customer will have access to an Allocated Annual prepayment each year of the Enrollment (the "Annually Prepaid Option"). Under the Fully Prepaid Option, any unused Azure prepayment will be forfeited at the end of the Enrollment, and under the Annually Prepaid Option, any unused Allocated Annual prepayment will be forfeited on the following Enrollment anniversary date. Using Azure prepayment: Each month, Microsoft will deduct from Customer's Azure prepayment (or Allocated Annual prepayment, if applicable) the monetary value of Customer's usage of eligible Microsoft Azure Services. Once Customer's Azure prepayment (or Allocated Annual prepayment, if applicable) balance has been exhausted, any additional usage will be invoiced at Consumption Rates (as described below).

Invoicing Azure prepayment: If Customer elects the Fully Prepaid Option, Azure prepayment will be invoiced immediately. If Customer elects the Annually Prepaid Option, the first Allocated Annual prepayment will be invoiced immediately, and future Allocated Annual prepayments will be invoiced on the anniversary of the Enrollment effective date.

Invoicing Azure prepayment overage: If Customer's usage is higher than either its Azure prepayment under the Fully Prepaid Option or its Allocated Annual prepayment under the Annually Prepaid Option, such excess will be invoiced at Consumption Rates to Customer at the end of each Enrollment month.

Consumption: Customer pays based on the amount of Microsoft Azure Services consumed during a billing period.

Consumption invoicing: If Customer provisions Microsoft Azure Services without an Azure prepayment, SHI will invoice customer in the following month of usage at Consumption Rates. All usage of the Microsoft Azure Services after the expiration or termination of Customer's subscription term will be invoiced by SHI to Customer at then-current Consumption Rates monthly.

SHI will invoice eligible Microsoft Azure Services at the contracted mark-up. Please refer to the Azure Portal or Pricing Calculator for more information on availability: <https://azure.microsoft.com/en-us/pricing/calculator/>

Payment Schedule

Year 1 - (01/01/2026-12/31/2026)- \$104,279.03
