On Council's agenda for June 22, 2026 is a resolution to insert an item of revenue and appropriation into the 2026 Municipal Budget. Pursuant to N.J.S.A. 40A:4-87, a municipality may adopt this resolution, after the budget was adopted and the municipality has been notified of a grant that they are going to receive, which was unknown at the time of the budget preparation. This resolution allows the revenue to be anticipated and the appropriation to be spent.

This resolution is for funds from the National Opioid Settlement Proceeds. The funds are to be used for approved purposes to be established by the Department of Human Services.
